GARDEN TO GLASS

When we created the new cocktail selection for Moor Hall, we wanted to focus on one clear and concise concept. That idea manifested itself as 'Garden to Glass'. We are focusing on products grown in our gardens or those sourced from the local area. So with this in mind, we set out to capture the sense of spring and early summer that was lost. We hope that we have succeeded in our goals and that you enjoy a little taste of what Moor Hall's gardens and surrounding countryside have to offer.

The Bar Team.
